## STRUCTURAL STABILITY CERTIFICATE

Name of the Building: Three storied Educational Building at Jatiakali, P.O. Fulbari, P.S. New Jalpaiguri (Bhaktinagar), Dist- Jalpaiguri. Pin- 734015, Under Fulbari II Grampanchayet.

Name of the client: "Modella Caretaker Centre & School"

I have inspected the above referred structure with a view to ascertain the Structural Stability of the building. The structural elements inspected including foundation, Stairs, RCC columns, RCC beams, and RCC slabs, I have also carried out a number of Non-Destructive Tests to estimate the present strength of concrete, and compressive tests are conducted on materials and found satisfactory. As per the visual inspection no Cracks are found in Columns, beam, plinth level and No settlements in the foundations. The each floor slab is safe as per the load test result. Based on this, I have worked out a system for correcting the distress of the structure and providing necessary strengthening measures. I therefore certify that the said building structural work is safe and stable for the building user as mentioned in this Stability Certificate for Three (03) Years.

NOTE: If earthquake is occurred at the Richter scale of 5.5 or more, it is necessary to conduct revalidation of Structural Stability Certificate as soon as possible.

Schedule of the Land:-

Plot no - 59, 60, 61, 86.

Khatian no- 87/1, 91/3, 91/9, 91/10.

Sheet no- 13

J.L. no - 3

Mouza - Binnaguri

Pargana - Baikunthapur

P.S. New Jalpaiguri (Bhaktinagar)

Dist- Jalpaiguri

Under Fulbari II Grampanchayet.
